

## Amphibian Lantern Supplies:

- Glass or plastic jar
- Paint brush
- Elmer's glue
- Tissue paper\*
- Marker
- Scissors
- Dish for mixing glue
- Battery-operated light source (tealight, string lights, or a flashlight)

### Optional:

- Colored pencils or markers for decorating
- String to make a handle
- Amphibian stencil for tracing (see link in event description)

\* If you do not have tissue paper, you can use a paper towel!
