Safeguarding Policy

ARTICLE 1: PURPOSE
The Amphibian Survival Alliance (ASA) is dedicated to the safety, welfare, and protection of all individuals involved in our operations, including employees, volunteers, partners, local communities, and the amphibians we strive to protect. We acknowledge our responsibility to safeguard against any form of harm, abuse, or exploitation. This policy aims to articulate our commitment and establish clear procedures to ensure a safe, respectful, and inclusive environment for all.

ARTICLE 2: SCOPE

It covers all ASA personnel, including full-time and part-time Secretariat members, interns, volunteers, partners and Global Council members.

ARTICLE 3: DEFINITIONS

Safeguarding: The measures we take to protect the health, wellbeing, and human rights of individuals, allowing them, particularly children and vulnerable adults, to live free from abuse, harm, and neglect.

Abuse: This includes physical, sexual, emotional and psychological harm, neglect, or negligent treatment, commercial or other exploitation resulting in actual or potential harm to health, integrity, survival, development, or dignity.

Vulnerable groups: Certain sections of the population who may be at a higher risk of harm or exploitation due to their age, gender, physical or mental health, or socio-economic situation. For ASA, this could include local community members, including both children and adults who are involved in or impacted by our or our partner operations.

All safeguarding concerns should be acknowledged within 48 hours of being reported. A full investigation, where necessary, should be initiated within one week of the report and completed within 30 days unless circumstances require a longer investigation period.

6.4 In cases of serious safeguarding incidents, the Global Council will review the organization’s response to ensure that the safety and well-being of all involved individuals are prioritized.

6.5 All safeguarding reports will be handled confidentially and in accordance with relevant data protection laws and ASA’s privacy policy.

6.6 If necessary, an impartial investigation will be conducted. Decisions will be made based on the findings of the investigation.

6.7 If an individual is not satisfied with the handling of a safeguarding issue, they may raise a formal complaint or appeal to the Global Council or to an external body if applicable.
